

Puget Sound MINI Motoring Club

September 27, 2009

We've been invited to hold the first MINI Car Show at XXX Root Beer in Issaquah ("the last historical XXX Root Beer Drive-in in the US") and hope that you'll join us! It's a fun place to meet and show our cars and have some great food. There will be music, vendors (yes, they promise), raffle prizes, and great weather (that one is trickier to promise, but we're working on it...). We're also planning a drive afterwards and will incorporate one of our favorite little one way roads that has always been a part of the route to XXX in the past. You can't miss this! Come on down (or up or over)!
